Doug

Yes he's been interested in our clean up in Eureka NV (in his district) and anaconda (near his district boundary).

My anaconda team and I may be in Nevada that week so we will figure something out. Dan and Harry can update him on eureka.

Hi Enrique, John,

Cross-leveled with Brent. In the past Congressman Amodei's focus has been on SFD issues. Looking to work something into Alexis's and your skeds for 30-60 minutes next Wednesday (20 Sep) in the afternoon.

Tomas/Kristin: may also be some interest in water issues.

Brent continues to engage with his POCs to try to find out more about interests/timing.

More to come...
